ROMANS & James

Welcome to our 2026 Bible Reading guide. This year we are focusing on two letters: The Letter to the Romans, and the Letter from the Apostle James to the Church. The schedule is broken down into verse size chunks of daily readings (not including weekends) and there are plenty of times for **reflection on what you've read,** and catching up on what you've missed at the end of each month. The readings finish mid-way through December, to enable to you focus on the Christmas story.
